

Nptel Local Chapter : Workshop on Natural Language Processing

Dear SPOCs,

Please note the following and share with your faculty and students.

The graphic features a background image of the Chennai Mathematical Institute building. At the top, a yellow banner reads "Introduction to Natural Language Processing". Below this, the institute's logo and name are displayed. The instructor's profile is listed as Prof. Ramaseshan Ramachandran, a visiting professor at the institute. Key details are presented in yellow-bordered boxes: Dates of workshop (Aug 24-28, 2022), Timing (6.00 pm - 8.00 pm), Institute Name (Chennai Mathematical Institute), Mode of workshop (Online), Number of participants (150), and Last date of Registration (Aug 17, 2022). The fee is stated as Rs. 236 (Rs. 200 + 18% GST). A link for registration is provided at the bottom.

**Introduction to
Natural Language Processing**
