Dear Sir/Ma'am,

Greetings !!

it was pleasure talking to you regarding how to get certification based virtual internship with IBM & Microsoft below are the details of the program. Kindly share the same with your students.

Students from all years of Engineering(CS, IT, ECE, EEE, ECM), MCA, BCA, B.Sc CS/IT, M.Sc and related fields are welcome.

Kindly join the free Orientation to get the below details

Microsoft , IBM & Google-certification based virtual Internship Training programm on
10th Aug 2022 7:00PM

Please join my meeting from your computer, tablet, or smartphone

https://forms.gle/uBKAXpZAjVQy6JT1A

Looking forward to your support to share the same with your students and faculty members!

All students who are attending the webinar will get the participation certificate.

Please I request you to ensure, there are at least 100-200 registrations from your side. Hoping Positive response from your side.

Department will get the appreciation letter for taking initiative for your students.

Note : We will inform about Free Faculty Development Program on Microsoft Innovative Educator Tools for faculty members once the dates finalized.

Regards
Ekta
