

REDECON
2022

National Seminar and Exhibition

SUSTAINABLE DEVELOPMENT - THE FUTURE

17th - 18th November 2022 at NIMHANS Convention Centre, Bangalore

Organised by

**Association of Consulting Civil Engineers (India)
Bangalore Centre**

ABOUT ACCE (INDIA)

Association of Consulting Civil Engineers (India) was formed and registered in 1985 by a group of Consulting Civil Engineers in Bangalore. ACCE(I) has its head quarters at Bangalore and has since grown into a National Association with **32 Centres** formed all over India at **Ahmedabad, Akola, Bangalore, Bidar, Belthangady, Chennai, Coimbatore, Chidambaram, Chandwad, Davangere, Delhi, Dharwad, Goa, Hassan, Hubli, Hyderabad, Indore, Karimnagar, Kakinada, Madurai, Mangalore, Mumbai, Mysore, Nagpur, Nashik, Puducherry, Palghar, Rajamahendravaram, Sangamner, Tirupati, Vijayawada, Vishakapatnam.**

Broadly, the objects of the Association are:

- To encourage and foster the ideals of the profession.
- To hold conferences/meetings/seminars for dissemination of knowledge amongst the Civil Engineers in particular and society in general.
- To promote friendship, establish rules for professional and

ethical conduct and to develop social awareness and responsibility amongst the members.

- To bring the latest technological advancements in the world to the members and prepare them to carry out futuristic design with an eye on assurance of quality.
- To facilitate access to technical papers, books and computer software.
- To arrange lectures by distinguished Engineers/Professionals from India and abroad and conduct study tour of projects.
- To act as spokesman for the Consultant to deal with Government, Corporations and other agencies regarding policy matters.
- To identify the areas in which the Consultants can contribute to the betterment of the country like Rural Housing, Urban Development, Low Cost Housing, Infrastructure Development, Economic and Safe Design and Construction Practice, etc.,

For other details please visit our website : <http://www.acce.in>

ABOUT REDECON

REDECON, a biennial marquee event by ACCE (I) – Bangalore Centre. ACCE (I)-Bangalore, in its constant endeavor to serve the Civil Engineering Fraternity, has been organizing National and International Seminars / Conferences once in two years on the themes relevant to the current trending technologies in the domains of Civil Engineering while providing a great networking platform.

REDECON is now an event that is eagerly looked forward by all the Construction Industry stakeholders. Nine such successful events have been held starting from 2005 and continued in 2007, 2008, 2010, 2012, 2014, 2016, 2018 and 2020.

REDECON 2022 this time in November, is a two day National Seminar with an excellent lineup of featured Speakers in the ecosystem. The Seminar will also have an Exhibition relevant to construction industry.

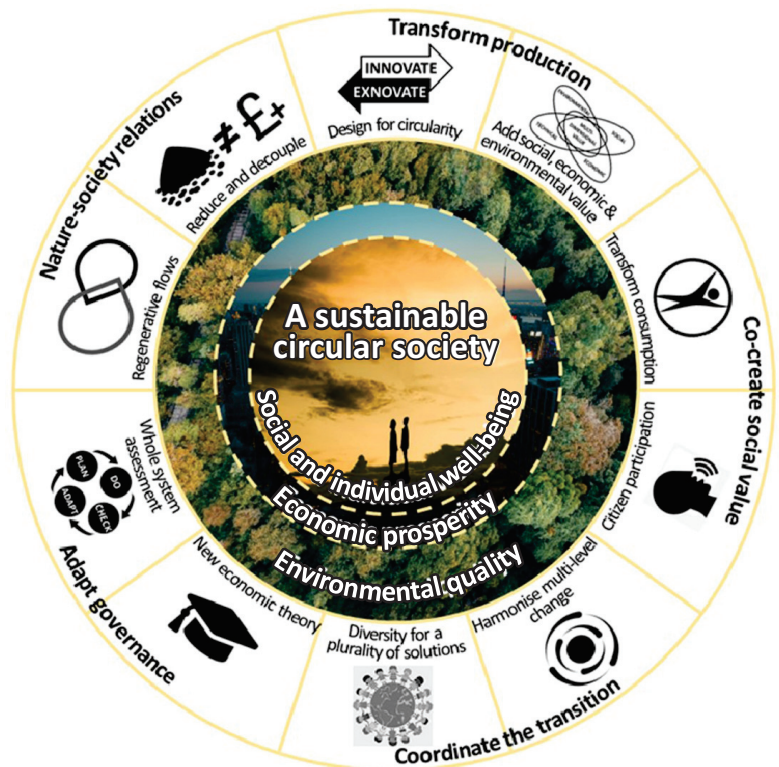

ABOUT THE SEMINAR

Large infrastructure projects exert significant impact on the society as a whole and contribute in shaping the social, the economic and the environmental conditions. Sustainable development will infuse key benefits to society through enhanced inclusiveness, transparency, environmental protection and eco-friendliness. Adoption of Sustainable Development strategies is inevitable in achieving the SDGs. The Seminar aims at addressing several key issues.

Key Deliberations

Following key themes are expected to be discussed broadly during the seminar.

- Innovative and emerging trends
- The value of sustainable infrastructure
- Equitable and inclusive community infrastructure
- Technology and smart communities in infrastructure
- Fibers and Non Metallic Reinforcement
- Advanced Materials for Sustainable Development
- Green Cities and Buildings
- Circular Construction
- Approach to Sustainable Development (NBC 2016)
- Climate Resilient Structures
- Sustainability Ratings and Evaluations
- Sustainability as business opportunity
- Digital Solutions for Sustainability

Who should attend

- Practicing Civil Engineering professionals including complimentary Engineering domains
- All those connected to Construction and Infrastructure Sector
- Housing Sector, Commercial sector
- Manufacturers, Supply Chain Entities, Facilitators, Innovators, Entrepreneurs
- Design consultants, Architects, Service providers, expert applicators.
- Academicians, Researchers, Students.
- Governmental Organisations and Decision Makers in Private and Government Sector
- Professional Engineers registered with ECI

Take-aways

- Opportunities in addressing Challenges to Civil and related issues
- Opportunity to revamp Procedures and systems towards greater compliance
- Getting to know the latest in technology and developments in recent times
- Getting to know professionals from varied branches of Civil Engineering Construction
- Greater Brand exposure and product awareness
- Identification of Solution providers to various demands of the Industry.

DATES & VENUE

Date : 17th & 18th November 2022
Thursday & Friday

Venue : NIMHANS Convention Centre
Bangalore

DELEGATE FEES (Inclusive of GST @ 18%)
