EVENTREPORT

Expert talk on Process of Innovation Development, Technology Readiness Level (TRL); Commercialisation of Lab Technologies & Tech-Transfer 23rd December 2022

Theme	Innovation, Entrepreneurship		
Title of the Activity	Expert talk on Process of Innovation Development, Technology Readiness Level (TRL); Commercialisation of Lab Technologies & Tech-Transfer		
Mode of Conduct	Offline		
Department / Division	Technology Innovation and Incubation Centre		
Date	23rd December 2022	Time	10:00 AM to 4:00 PM
Participants	90 Students from all the branches 8 Faculty Members		
Online Resource	NA		
Resource Person (s)	Mr. Gaddam Shivganesh, Founder & CEO, Zeni5, Hyd		
Budget	Rs. 12,000/-		
Convener	Dr. G. Amarnath, IIC President		
Coordinator(s)	Mr. B. Prasad, IIC Innovation Activity Coordinator		
Overview of the Event	The event provided a platform for students and faculty members to gain insights into these crucial aspects of technology and innovation.		
Objectives of the Event	To familiarize participants with the process of innovation development and technology readiness levels (TRL). To explore the commercialization potential of laboratory technologies and understand the concept of technology transfer.		
Outcomes of the Event	Enhanced Understanding: Participants gained a deeper understanding of the innovation development process, technology readiness levels, and the commercialization of laboratory technologies.

BRIEF REPORT

MLRITM hosted a thought-provoking event titled "Expert Talk on Process of Innovation Development, Technology Readiness Level (TRL); Commercialisation of Lab Technologies & Tech-Transfer" on the 23rd of December 2022. The event aimed to delve into the intricacies of innovation development processes, assess technology readiness levels, and explore avenues for the commercialization of laboratory technologies through tech-transfer.

A total of 90 students from various branches and 8 faculty members participated in the event. Mr. Gaddam Shivganesh, Founder & CEO of Zeni5, Hyderabad, graced the occasion as the resource person, sharing his invaluable insights and expertise with the attendees.

The event was executed within the allocated budget of Rs. 12,000, showcasing effective financial management. It provided a platform for participants to gain practical knowledge and engage in discussions on innovation and technology commercialization.

In conclusion, the event successfully achieved its objectives of enhancing understanding, providing insights from an expert, facilitating engagement, and imparting practical knowledge to the attendees. It served as a valuable learning experience for all participants, contributing to their development in the field of innovation and technology entrepreneurship.
