### BRIEF REPORT

On the 16th of December 2022, MLRITM organized an enriching Field/Exposure Visit to the pre-incubation unit T-HUB. The event attracted a total of 45 enthusiastic students and 5 faculty members, showcasing the keen interest of the academic community in exploring entrepreneurship opportunities.

Under the guidance of Mr. B. Prasad, the resource person for the event, participants embarked on a journey to delve into the world of start-ups and innovation. The visit provided a comprehensive overview of T-HUB's operations, exposing attendees to the dynamic environment of start-up incubation and acceleration.

Despite the challenges posed by the pandemic, the event was executed seamlessly within the allocated budget of Rs. 10,000, demonstrating effective planning and coordination by the organizing committee. Participants engaged in interactive sessions, gaining valuable insights from industry experts and entrepreneurs associated with T-HUB.

The visit culminated in a renewed sense of enthusiasm and motivation among the attendees, as they departed with a deeper understanding of the entrepreneurial landscape and a newfound appreciation for the potential of their own ideas and innovations.

Overall, the Field/Exposure Visit to T-HUB proved to be a transformative experience, inspiring participants to pursue their entrepreneurial aspirations and contributing to the cultivation of a vibrant start-up ecosystem within the MLRITM community.
