Please indicate your level of satisfaction with Academic Advising

S.No	Academic Advising	Average	Good	Very Good	Excellent
a	Availability of assigned faculty advisor				
b	Advisor's ability to provide accurate info about degree requirements				
c	Advisor's assistance with appropriate course sequencing				
d	Advisor's knowledge about post-graduation & employment opportunities				
e	Academic advising overall				

Please rate the following statements

S.No	Facilities in the Department/college	Average	Good	Very Good	Excellent
1	Faculty and staff encouraged me to get involved in campus life/activities				
2	I felt valued during my time at the MLRITM				
3	Classrooms				
4	Laboratory facilities and equipment				
5	Computer facilities				
6	Campus placements				
7	Career guidance				
8	Extracurricular and co curricular activities				

Do you want to suggest any subject to teach apart from curriculum?

Please rate the skills you learn during the study period

POs	Programme outcomes (POs)/Programme specific outcomes(PSOs)	Average	Good	Very Good	Excellent
1	apply knowledge				
2	design, implement, evaluate a system				
3	meet desired needs				
4	Team work				
5	identify, and solve problems				
6	professional, ethical,				
7	communicate effectively				
8	broad education				
9	life-long learning				
10	contemporary issues				
11	Modern tool usage				
12	development principles in the construction of software and hardware systems				
PSO-1	Understanding				
PSO-2	Analytical skills				
PSO-3	Executive skills				

Please rate the PEOS

S.No	Program Educational Objectives (PEO)	Average	Good	Very Good	Excellent
PEO1	solving civil engineering problems in different circumstances				
PEO2.	Pursue higher education and research for professional development				
PEO 3.	Inculcate qualities of leadership for technology innovation and entrepreneurship				

There is any need of revision Vision, mission, and PEOs:

Any other suggestion for improvement of department education system
