

DEPARTMENT OF CIVIL ENGINEERING

COURSE END-SURVEY FORM

NOTE: Your feedback is important and helps us introspect to improve the Course structure.

Academic Year	2016-20	Year & Semester	II-I	Department	CIVIL
Course Title	SURVEYING			Course code	CE305ES
Student Roll Number					

About the Course Instructor: (Tick (√) Appropriately)

		5	4	3	2	1
1	The course content met my expectations.					
2	The course helped me learn new concepts or practices.					
3	The lectures were clear and easy to understand.					
4	The teaching aids (Audio-Visual, charts, apps,) were effectively used.					
5	The Instructor encouraged discussions and responded to questions.					
6	The Instructor demonstrated in-depth knowledge of the subject					
7	The course was supported by adequate library resources.					
8	The course content was well-connected with the real world.					

		Information on the Course Outcomes: (Tick (√) Appropriately)				
At the end of the course, I am able to		5	4	3	2	1
CE215.1	Understand the basic principles of surveying and its role in civil engineering					
CE215.2	Understanding the levelling operations					
CE215.3	Analyse the field data and compute the areas and volumes.					
CE215.4	Understand the working principles of survey instruments					
CE215.5	Apply the corrections to estimated quantities of survey					
CE215.6	Understand the principles and operation of the latest technologies in surveying					

5: Excellent	4: Very Good	3: Good	2: Satisfactory	1: Poor
