Company	ZEROCODEHR
Brief Profile	ZeroCode HR is the first software development shop specializing in the rapid, agile development of bespoke human resource applications using proprietary low code/no code development tools. No-code is a class of development technologies that allows users to build and maintain software through a visual UI rather than by writing or editing lines of code. No-code dramatically simplifies software development and empowers organizations to build faster, at a much lower cost, and with fewer bugs than conventional code-based approaches.
