About Genpact	Genpact began in 1997 as a business unit within General Electric. In January 2005, Genpact became an independent company to bring their process expertise and unique DNA in Lean management to clients beyond GE, and then in August 2007, Genpact became a publicly-traded company (NYSE: G). Since December 31, 2005, Genpact have expanded from 19,000+ employees and annual revenues of US $491.90 million to 70,000+ employees and annual revenues of US $2.46 billion as of December 31, 2015. Bain Capital became Genpact's largest shareholder in November 2012, with the strategic objective to grow the company.
