Feedback pertaining to the semester's (Highlight with tick mark)	Beach:
	M. Tech:
	MBA:

Response expected on curriculum shall be recorded by using 5-point scale as follows.

S. No	Particulars	Strongly agree / Excellent (5)	Agree / Very good (4)	Neutral / Good (3)	Disagree / Fair (2)	Strongly disagree / Poor (1)
1	The curriculum ensures in-depth knowledge aligned with the graduate's field of specialization.					
2	Graduates are well-exposed to relevant tools, technologies, and industry-standard software.					
3	The syllabus is structured to meet current job market requirements and promote skill development.					
4	Academic content effectively addresses industry expectations, minimizing the academia–industry gap.					
5	Students gain substantial hands-on experience through real-time projects and practical training.					
6	The program equips graduates to deliver technical solutions in line with industry standards.					
7	The curriculum integrates emerging technologies and evolving industry trends.					

8	It cultivates innovation, ethical conduct, professional behavior, and leadership qualities among students.					
9	A well-balanced combination of theoretical knowledge and practical application enhances learning outcomes.					

Suggestions for further Improvement
