COURSE OVERVIEW:

Business Communication Lab is designed to develop professional communication competencies required in modern business environments. The course integrates written, oral, digital, and interpersonal communication skills with practical laboratory exercises. It emphasizes business writing, report preparation, presentations, employability skills, and contemporary communication practices such as social media communication, cross-cultural interaction, and e-business communication.

The lab-oriented approach ensures experiential learning through drafting, presentations, resume preparation, mock interviews, report writing, and real-time business communication simulations. The course prepares students for corporate roles by enhancing clarity, professionalism, and strategic communication ability.

COURSE OBJECTIVES:

- To explain the various modes of communication and their application in business.
- To impart knowledge on business writing skills and improve the readability of written communication.
- To outline the importance of writing business reports and proposals.
- To explain the necessary employability skills.
- To orient students on contemporary aspects of business communication.

COURSE OUTCOMES: After Completion of the course, students should be able to

1. Develop effective written and presentation skills in English for managerial communication
2. Apply correct usage of articles, prepositions and vocabulary for enhancing essay writing.
3. Classify various types of sentences for effective written and presentation skills.
