### Course Overview:

Value Education is a course designed to develop ethical values, moral principles, and responsible behavior among students for personal and professional growth. The course focuses on fostering integrity, honesty, respect, empathy, discipline, and social responsibility while helping learners understand the importance of human values in everyday life. It emphasizes ethical decision-making, professional ethics, environmental awareness, national values, and harmonious living in society.

### Course Objectives:

1. To understand the historical background, drafting process, and foundational philosophy of the Indian Constitution.
2. To learn the fundamental rights, duties, and directive principles that define citizens' freedoms and responsibilities.
3. To study the structure, powers, and functions of key governance organs—Parliament, Executive, and Judiciary.
4. To understand the framework, roles, and importance of local self-government at district, municipal, block, and village levels.
5. To learn about the Election Commission's functioning and institutions supporting the welfare of SC/ST/OBC and women.

### Course Outcomes: Students will be able to:

1. Explain the history, drafting, and philosophy of the Indian Constitution including the Preamble and salient features.
2. Illustrate the fundamental rights, duties, and directive principles of state policy enshrined in the Constitution.
3. Differentiate the structure, composition, powers, and functions of the Parliament, Executive, and Judiciary.
4. Illustrate the role and functioning of local administration and Panchayati Raj institutions at district, block, and village levels.
5. Examine the roles of Election Commissions and institutions for the welfare of SC/ST/OBC and women in governance.
